Merry Christmas

AND ALL THROUGH THE PIT,

not a heater was heating, not one little bit. The mommies dropped off Junior in the circle with care, and the feeling of Christmas rang through the air. The students were nestled on the heaters in the pit, praying for heat and having a fit. With students in red and teachers in green, it was quite the festive Christmas scene. When out in the pit the Acappella's singing began, then the bell rang and they all ran. Off to their class they flew without rest, hoping to pass their upcoming test. And when they arrived they were told that the teacher had phoned saying the test was postponed. With a joyous scream the students were dismissed, looking for a partner from whom they were kissed. As the buses drove away the students shouted an exclamation, "Merry Christmas to all and to all a good vacation!"

WINTER WEEK
SHORT BUT SWEET

Winter Week, although cut short by two snow days on Tuesday and Wednesday, was considered a success by both students and faculty. Monday, students were required to dress as the Ultimate Preppy, and Thursday they were seen in red, white, pink or hearts. During the noon hour students were entertained with a Cupid Contest, resulting in the crowning of Gary Behrens as King Cupid. The theme on Friday was Nerd Day, and students dressed in their gaudiest attire. Snow football and the championship snow volleyball game were played during the noon hour. The week climaxed with the Computer-Match-Up Dance on Saturday night.

VOLLEY TO VICTORY

"Volley to Victory" was the team cry, though unfortunately that wasn't always the case. The girls started practice in August, and not only did they learn how to play volleyball, Coach Beringer also had them out on the track running laps everyday to "condition" themselves. Conditioning didn't seem to be the big problem. The ability was there; but the team just was not able to "get it all together." The conference record of 3-9, however, does not reflect a third place finish at the West Allis Central Invitational or the fact that two players, Sally Jansen and Gretchen Rigert, were selected for the second team All-Conference.

While it sounds like a rough season, and there were defeats, there were also some pluses. Next year there will be six possible returning lettermen so- Volley to Victory!

The 1984 DDHS Football Season was in terms of a win-loss record, a disappointment. The Comets, who in the last several years have been very successful, fell prey to injuries, training rule violations, and inexperience. The season, however, was not a total disappointment as some people would expect, since the adversity that the coaches and players endured pulled them together as a team, and strengthened their attitudes. The Comets did have talent, since the player played both offense and defense. Therefore, the Comets can be proud of sticking together and striving for a common goal.

The 1984-1985 wrestling season was a successful season for all members. Although the team did not attain any first place finishes at the invitationals they attended, they did place higher than teams from previous years. Team members were extremely motivated and improvement could be seen by the end of the season. There was a feeling of unity among team members and this helped to make the season a fun one for all.

HARD WORK YIELDS MANY REWARDS

The 1984 Cross Country Season will be remembered as a fun season, probably because its members were able to joke around while still maintaining a serious attitude about running. Although the team was inexperienced, with only one senior member, the season was successful since the harriers placed 2nd in the Western Division. Like all other sports, cross country requires hard work and dedication, but in the long run it offers many rewards. Besides meeting new people, members become more determined to work hard at a project. Their will power increases and becomes a driving force behind their success and this carries through even into their personal lives.

POOL RENOVATIONS HURT SWIM SEASON

Daily trips to Elkhorn were a routine part of the '84 season since the ceiling of the pool was under repair. Practices at the Lakeland School in a fifteen to twenty yard pool, put the team at a disadvantage when it was time to get into shape. Despite the complications, the new head coach, Darrell Hessenthaler, kept a positive attitude throughout the season and his encouragement and support were appreciated by everyone.

The 1984-85 season was the start of something big for the Girls' Basketball team. In the beginning of the season the team stayed in the shadows, but as their record improved, word began to spread and many people turned to watch the girls play.

The biggest highlight of the season was the team's defeat of Waterford; Delavan won 61-60 with one second left on the clock to end Waterford's 44 game winning streak. Delavan felt proud to say "We beat Waterford!!" when Waterford won the class "B" State Championship title.

The girls ended their season with a 14-2 record, winning the Western Divisional Conference title. The team also had two players chosen for the All-Conference teams: Sally Jansen for the 1st team and Gretchen Rigert for the 2nd team.

The 1984-85 Boys' Basketball team may not have commanded a great deal of respect for their win-loss record. This is not, however, by any means an accurate reflection of the team's spirit, attitude, or commitment. It was a frustrating year for the players, but not a total loss, since much that can be gained through athletics does not show up in the final standings or box score. The team gained an appreciation for this fact by growing in seemingly all ways but physical height.

THE SEASON'S OVER, BUT THE FRIENDSHIPS HAVE JUST BEGUN

Girls' Tennis, 1984, may not be recorded in the record books as a winning season, but it will be remembered as a year of warm memories. First year coach, Deb Ludlow, opened the season with an optimistic outlook . . . and an inexperienced team. Throughout the season, the members of the team worked together to improve their game. Anybody who compared the first day of practice to the last would have seen the inprovement. Unfortunately, the improvement came too late to produce a winning season. Despite the losses, the rewards were many. Close friendships evolved. The team shared their losses together, rejoiced over victories, dreaded early Saturday morning bus trips, and fought over whose turn it was to buy the next box of Nilla Wafers. Overall, for the members, the tennis season was a successful one.

SWINGING IN STYLE

While statistics tell part of the story, they don't really reveal the season behind the scores. Golf is always more fun walking 18 holes in the rain in Madison, isn't it? At least there's what the coach said. Ten over par is another record that one doesn't easily forget. Sometimes forgetting these inconsistencies requires "Milk and Oreo's."

Although the team fell short of their original goal and only took third in the conference, it was a great season.

INDIVIDUALS/TEAM SET NEW RECORDS MIRUS GOES TO STATE

The 1984-85 swim season was an exciting season spent trying to obtain the conference title. Everyone wanted this objective but it seemed elusive. The boys lost their first dual meet to Jefferson by a handful of points. Going into the Conference meet the team felt prepared to take on Jefferson of Sauk Prairie, and McFarland. This meet was the highlight of the season as it turned out to be an exciting race. The team put forth a valiant effort and accomplished a third place finish.

The 1984-85 DDHS girls' gymnastics team may not have done well in the win-loss column, but this was a year of improvement, both for the team and individaul members. Team scores were consistently 20 points higher each meet than they were last year and team spirits were generally high. Team members encouraged each other at meets and always seemed to be able to find the humorous side of everything. On the serious side, team members did make improvements throughout the season and hopefully, the 1985-86 team will be even better.

JUMPING THE NET TO STATE

The 1985 tennis team had a fun and exciting year. The players were all eager to begin practice and anxious to hit the courts. Everyone had his weak points, but improvement was seen throughout the season. Rivalries could be seen between players, and although it all was in fun, everyone had the competitive spirit. Groans and mumbles could be heard when it was time to run laps, but the team members survived, and all had a great season. Kenton Siffermann had the opportunity to go to the state tennis meet in the 1st singles category.

NOT ENOUGH "BIRDIES"

The 1985 Boys' Golf team was young and lacked experience but still had a good seaosn, ending the season with a 7-3 record. The players' positive attitudes helped them to solid wins and an upset victory over Jefferson. Another factor was the excellent weather of the early season. The Comets look forward to a good season next year as they lose only one senior letterwinner.

The 1985 baseball team surprised many people with its second place Southern Lakes Conference finish. The inexperienced pitching staff accounted for the several early conference wins, including Mark Kennedy's complete game victory over Conference Champion Jefferson. After winning the First Annual Comet Tournament, the Comets faltered and fell from first place. However, they came back and finished with a strong second place, and a 6-4 conference record. Clutch hitting by Kennedy and David Frazier, who hit seven homeruns, as well as excellent defense from Bill Persinger, Mike Michalek, Bob Arenz, Todd Metcalf, and Brad Hilbelink, helped the Comets to a satisfying successful season.

After their first game, the 1985 softball team knew that they would have an equal or better season than last year. Last season, the team won only one conference game and dropped the rest. This year they did improve, winning two conference games. Though the record doesn't look very impressive, they are hopefully building to a stronger team next year. If nothing else, the softball team did know how to have fun, and it takes special talent to be able to keep the morale up and smile when the score is 20-0 in favor of the other team!

The 1985 Girls' Track season exemplified what the words sport and team are all about. The season was filled with hard work, tough competition, good coaches, great friends, victories, and defeats. The team was very small, and was like a second family. They banned together in both victory and defeat; won as a team and lost as a team.

This year also brought two rookie coaches, Mark Maas and Kristi Flood. They were more like a big brother and big sister than like coaches. They were always there to give that extra nudge towards victory.

The team's conference record was 3-2. Not an outstanding one, but probably a little better than what was expected. Since they are a young team, losing only two seniors, they promise to be even stronger next year.

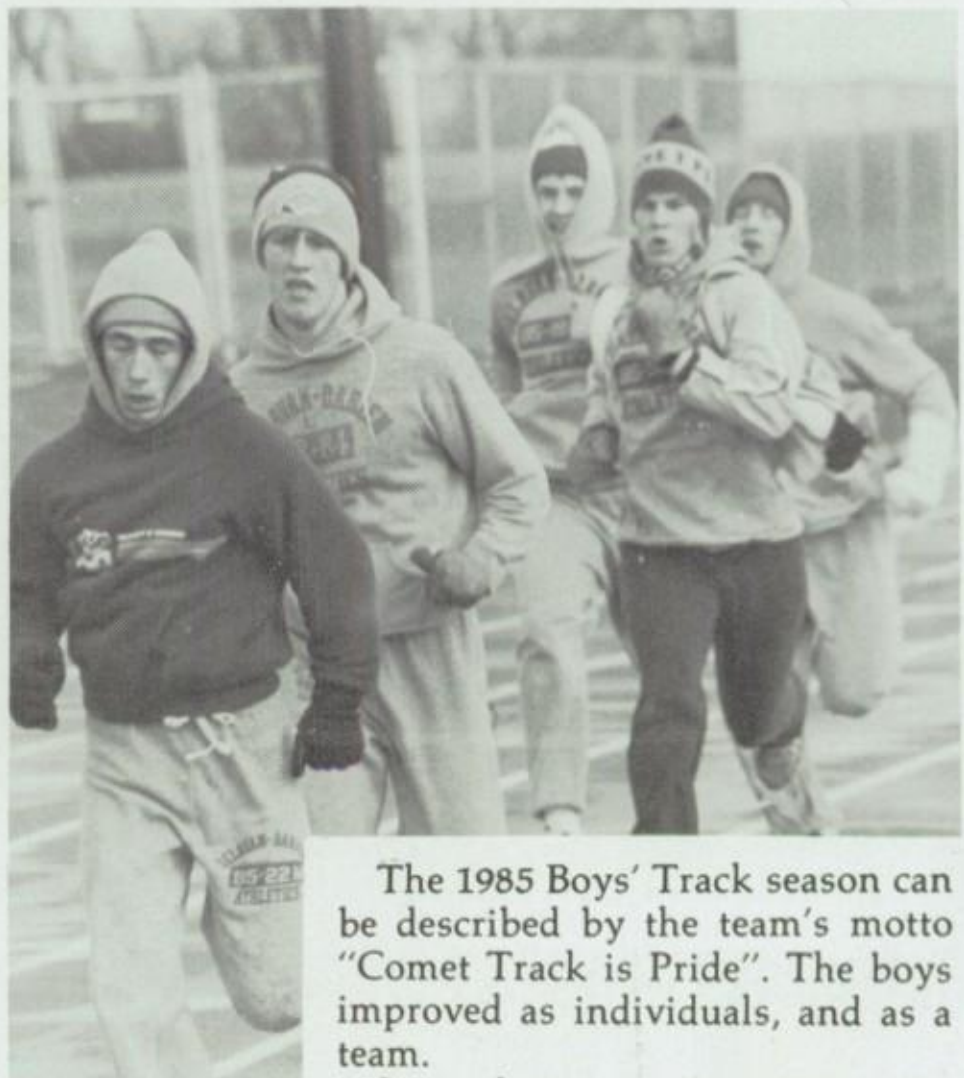
ABOVE RIGHT: Mike Ross leads the pack.



The 1985 Boys' Track season can be described by the team's motto "Comet Track is Pride". The boys improved as individuals, and as a team.

It is always good to begin the season by winning the first dual meet, especially when the opponent is Jefferson, the 1984 Conference champion. D-DHS lost only one dual meet to Whitewater, ending the season with a dual meet record of 4-1. Whitewater continued to dominate the Southern Lakes Conference, as Delavan placed second to them in both the Western Division and Conference meets. Some believed the boys peaked early as they won in May. Delavan won the Borg Invitational for the first time it its twenty-one year history.

Their already mentioned accomplishments, as well as breaking seven records in five events, show the talent found in this year's track team. Eighth boys advanced from Regionals to Sectionals, and the mile relay team advanced to the State Track and Field meet in Madison. As coach Ed Lauzon says, "We have no superstars"; the effort put forth by each individual determined how well he performed.

The highlight of this year's A Cappela Choir was a four day trip to Washington D.C. in March. The choir flew to the nation's Capitol and sang at various historical sites including the Lincoln Memorial, Old Post Pavillion, and The Bread Oven Restaurant. Sight-seeing from early morning to late evening kept the choir entertained and busy.

Most of the funding for this trip came through candy sales, the Auction, and the 12-hour telethon. With the hard work and help of many choir members and parents, a total of fifteen thousand dollars was raised and the trip became a reality! Twenty-nine members and five chaperones enjoyed the many sites of Washington D.C. and were treated to the peak of the cherry blossom season in our Capitol.

WALK TOGETHER, TALK TOGETHER ALL YE PEOPLE OF THE WORLD THEN AND ONLY THEN SHALL YOU INHERIT THE EARTH

Dear Comets,

This year was a great year. I learned a lot about the states and about the American people.

I'd like to send my special thanks to the Mulder family where I spent this year. I also want to say that I love them because of what they did to make my year a successful one.

I would like to thank Rodrigo who was one of my best friends.

I want to thank the staff for supporting me in school; especially my teachers, my counselor Mr. Schmidt, and the principal Dr. Draeger.

I am going to advise everyone in Egypt to come and visit Wisconsin, especially Delavan.

If you are in Egypt please don't hesitate to call me.

Dear people:

I would like to thank everyone who has given me help when I have needed it, and who has made this a great experience for me. I know that this year in America is going to be highly important in my life and therefore, I am sure I will never forget this beautiful town of beautiful people. Right now, when it is almost time to leave America, I find it hard and I hope to get back very soon to this country which has given me such a fine opportunity. Thank you again!

SENIOR CLASS SONG

We are one in spirit.
We are one in style.
We are one in our partying,
that makes it all worthwhile.
And we stand by each other,
we're the class of 85.

And they'll know we are seniors by our pride,
By our pride,
Yes they'll know we are seniors by our pride.

We have worked hard together.
We have now accomplished much.
We have faith in our motto,
to come through in the clutch.
And we cheer for our comets
D D H S — and such.

And they'll know we are seniors by our touch,
By our touch,
Yes they'll know we are seniors by our touch.

We will walk out together.
We will sadly leave this place.
We'll have fun in this our last year,
so it will not be a waste.
Yes we'll page right through our school books
with carefreeness and haste.

And they'll know we are seniors by our taste,
By our taste,
Yes they'll know we are seniors by our taste.

But before we up and split
We must tell you just a bit.
That we are the best of classes,
now don't you throw a fit.
Since we won't be coming home again
you must not forget.
That we rule the pit, rule the pit,
Rule the pit,
Oh you must not forget we rule the pit.

To the Melody Of "We Are One In The Spirit."
